DEDICATION

Because there are no words to express our appreciation and thanks for your devoted teaching, we, the senior class of nineteen sixty-two, dedicate our annual to you, Mr. Voshell.

The lessons you have taught can not be found on the pages of books nor can they be written on a blackboard. You have taught us how to live, play, and work with others. You have shown us the true value of sportsmanship and citizenship. You have turned individuals into a team, and a team into a school.

You have become a part of us, "Doc," —a part that will never slip away.

A man of action.

You have honored us in many ways.

Person to Person.

Just a little harder Sue!

Play your hunch!

Candid Camera.

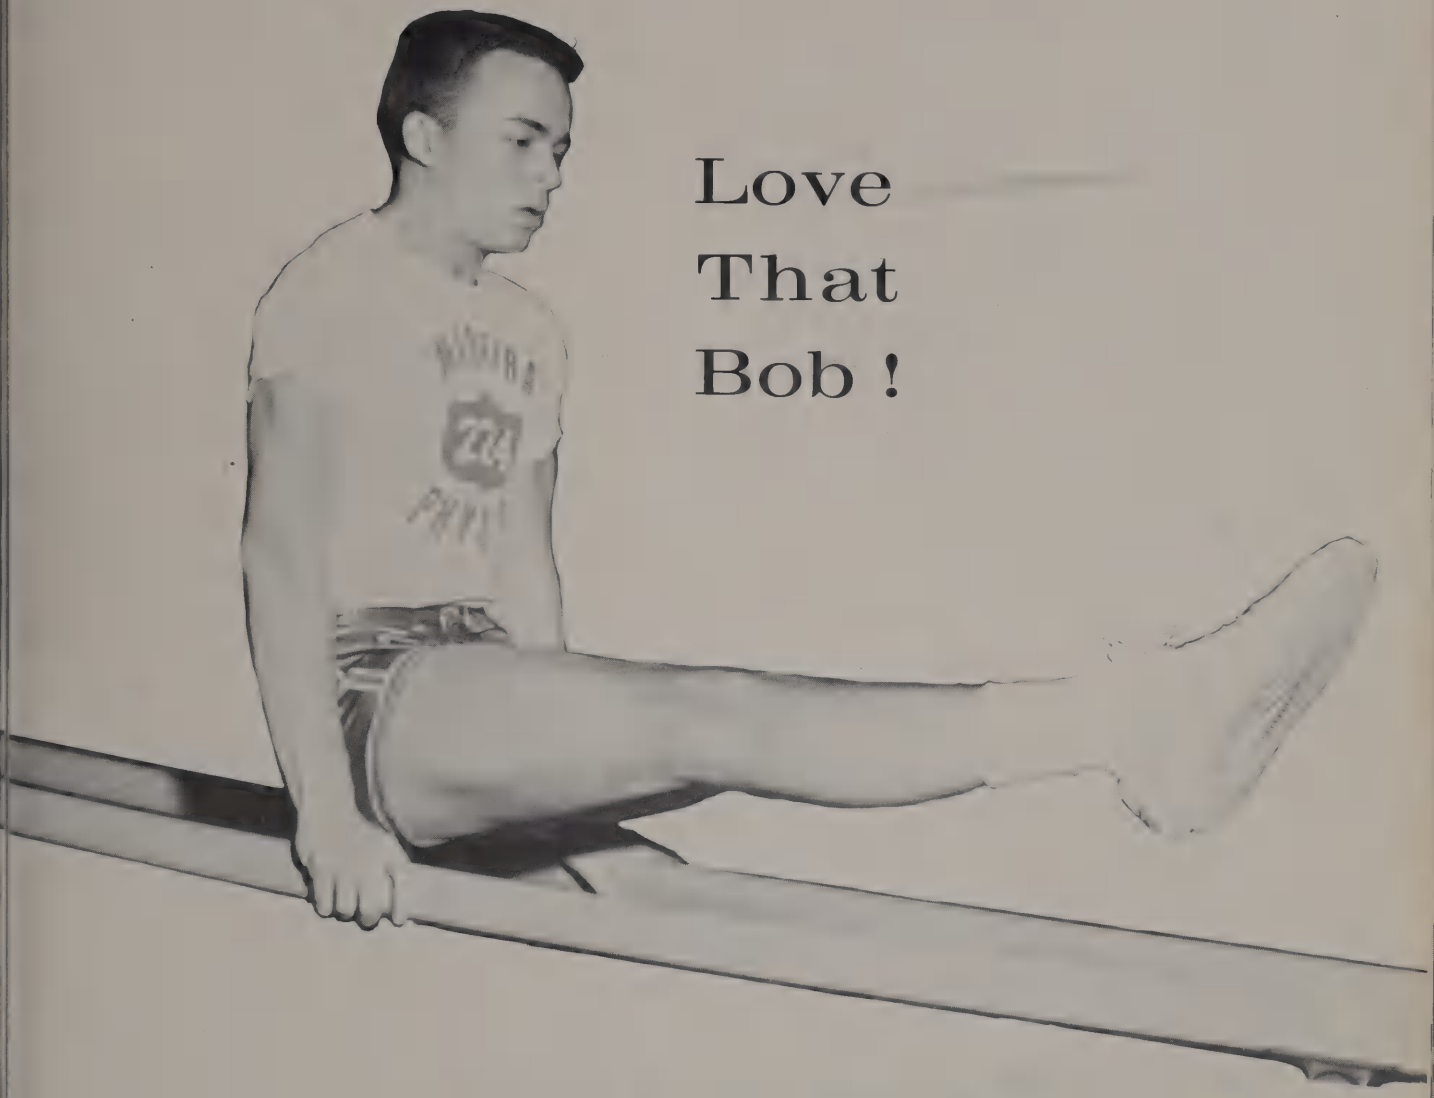

Ardeth captures the beauty that surrounds us . . .

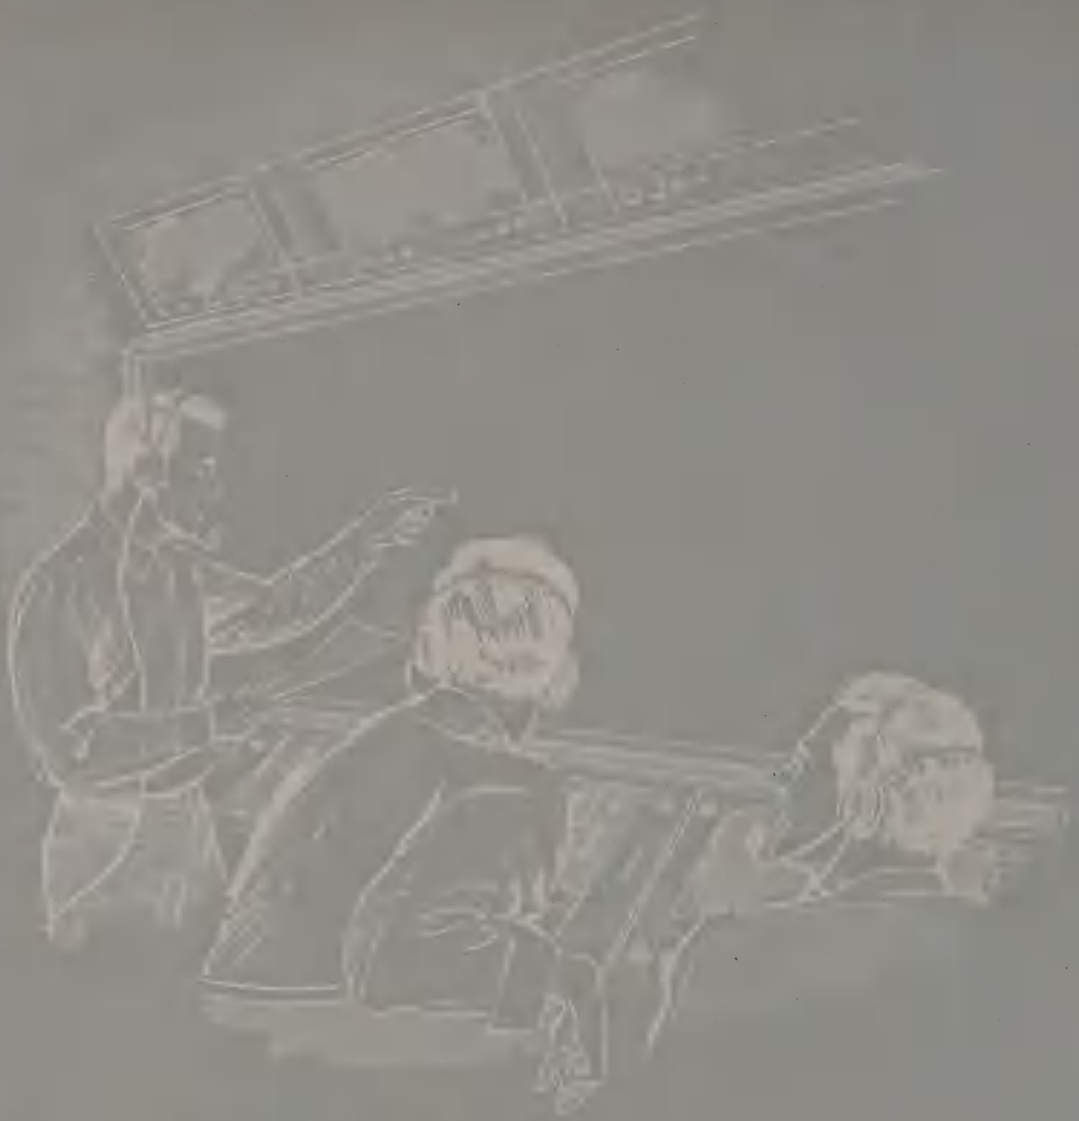

Others rush on without noticing.

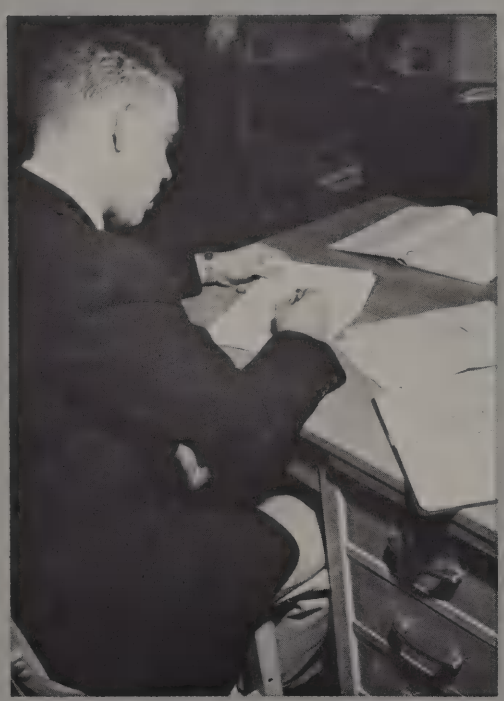

Love
That
Bob !

AND PRODUCERS

Superintendent of Madeira Schools

Mr. W. Marshall Sellman
B.S. in Ed., Wilmington College
M.A., University of Cincinnati

The Mnemonic is a "mirror of the times," in which is reflected the aspirations, goals, and achievements of the groups and individuals represented. It is also a historical record preserving for years to come the personalities and events of the school year 1961-62. The members of the Mnemonic staff have, through this book, made an impressive contribution to the school, and are deserving of special commendation for their efforts.

Mr. Herbert L. Dericks

M. Ed., Xavier University

"You, too, will live under communism, my capitalist friend!"

A yearbook staff has an extremely difficult task in the preparation of an annual not because it is difficult to find material, but because it is difficult to determine what to omit. Each person who contributes then faces the same problem because one wonders what not to say. The result, then, is a book of bridgeheads of memories which unravel in the mind the experiences of the past. I am sure that the representative selections of this book will accomplish this for each member of Madeira High School.

This review of activities of the past is pleasant. I sincerely hope that the review of the past can serve as a stimulation for improvement in the lives of each student. I am particularly hopeful that the experiences at Madeira High School will contribute to the success of our graduating seniors. As their lives and activities separate from the activities of Madeira High School, I hope a happy, active memory takes its place.

I hope this pleasant memory will continue to be strong enough so that when the opportunity presents itself, that each member of our graduating class will want to return for a visit.

Mr. Dericks addresses the student body.

Assistant Principal

Mr. Frank R. Lang

When Your Heart Is In It . . .

Madeira High School in this year 1962 is not only an excellent institution of learning, with beautiful classrooms, wide walkways, and a lovely campus green; the words, "Madeira High School" now connote many activities and traditions—the Christmas tree in the circle, the trip to Drake Hospital, the games, dances after games, assemblies, the clubs, AFS, prom. Through study, enthusiastic support, the real love for their school and all that it stands for—Madeira students have given MHS a tradition—a "heart."

Any College, USA, any Office, USA—will be more than empty buildings without love and enthusiasm that you take there with you. Wherever you go, whatever you do—you may quickly find those who criticize, misunderstand, tear down—because EVERYBODY can do that; only a FEW can create; only a FEW are able to put love and heart into their work and obligations of daily life to kindle the fires of enthusiasm and accomplishment. Always be able to count yourselves among the few!

Frank R. Lang, Assistant Principal
Counselor

Mrs. Merritt's pleasant smile and friendly words remain among our "Madeira Memories."

Mr. William Toth serves us well as our Assistant Superintendent of Madeira Schools.

Senior Class

September, 1958, a new class of freshmen entered the world of high school. Not only did we enter a new world, but also a new high school. We were looking forward to four long years of learning, fun, and experiences.

June, 1962, that same class is looking backward on four short years filled with all that we expected and even more. No one can forget the football and basketball games, the dances, the hours of study, the friendships, the inspirations, the tears of joy and sadness, the moments of anxieties, and, yes, even the pangs of disappointment and defeat.

Now we must leave behind us this familiar world we have grown to love and face new horizons. We know that because of our four years at Madeira and the education they have given us, we will be able to face these unknown days bravely and successfully.

Many books are written each year on many subjects, but no book is harder to write and to design than one that must capture the moods, feelings, and actions of five hundred people for one hundred and eighty days.

The seven editors and other members of the senior class have combined our efforts and talents to bring these fleeting but long-remembered moments to you in this year's Mnemonic.

Our reward for many hours of hard work will be the days of pleasure the pages of this book bring to you.

EHL Co - Champs

TO OUR CO-CAPTAINS

"Our co-captains were a great asset to our success this year with their never ending enthusiasm and vigor. They set a perfect example and spurred us on to every victory. They made us accept all our games one by one, making each game a greater challenge than the preceding one. For this we are indebted to those two guys, who both on the field and off, have shown enthusiastic leadership and promoted fair play . . ."

Football Coaches

John Rape in his first year as a head coach led the Mustangs to their best record in the school history and also to the co-championship of the EHL. Coach Rape takes a keen interest in Madeira and likes nothing more than to see his alma mater win. His coaching ability and personality have gained him life-long friendships with his boys.

Roland Wierwille's first year as a coach at his high school alma mater has been a very prosperous one. During the gridiron season he worked hard as assistant football coach to prepare the champs. He also coached the Junior Varsity squad to a very successful finish. Coach Wierwille has certainly made an excellent start for a very successful career.

Robert Baas is Junior High head coach, but he also lends a hand as assistant varsity coach during the football season. He takes great pride in Junior High team and prepares excellent players for the future high school squads. Popularity has come easily at Madeira for this fine coach.

Bob Mondron has done a great job in helping to develop Madeira's championship team. Coach Mondron is a man of action rather than words and believes that the only way to win is to play hard-nosed football. His eagerness to help the players improve shows that Coach Mondron's game is football. A great coach and a good friend is Madeira's Bob Mondron.

Forward to victory!

All Hail the Champs

The Madeira Mustangs finished the 1961 season with the finest record in the school's forty-year history. The Mustangs amassed 220 points while holding their opponents to 92 points. Several other "firsts" were recorded, as follows: most games ever won in one season (7), first Madeira team ever to win a championship, most players ever placed on the All-Star teams. Co-captains, Denny Johnson and Perry Ancona, both made All-Cincinnati and All-League teams. Perry also won Honorable Mention in the All-American contest. Bob Hankes, Dan Rusche, Pep Strifler, Bill Dorsey, and Bob Heiser also made the All-League team. All the members of the team deserve medals for a job well done. Madeira schools and the community are very proud of you, our co-champs of "61."

School Band

"Watch my tempo, drummers!"
Mr. Charles W. Medert, our experienced band director.

This year's band is the largest in the history of Madeira High. Its one hundred members have been working hard to make it not only the biggest, but the best yet. Besides the usual football half-time shows, concerts, and the annual Variety Show, band members have worked at trying to raise money for new uniforms. Fund-raising tactics have ranged from selling peanuts to mowing grass. But all is not work. The annual band picnic and just the pleasure of participating in band activities see to that.

Practice Plus Practice Equals Performance

Managers, technicians, and librarians are Pat Cseplo, Gretchen DeJager, Connie Kersten, and Mary Dopp. **Second row:** Mike Heflin, Steve Newcomb, Rick Sullivan, and Frank Smith.

Band members worked hard to raise money for new uniforms. Selling peanuts are Bill Kemp, Jim Kruse, and Gerritt DeJager.

Leading the band this year are majorettes Yvonne Napier, Marcia Wright, Carla Harper, Sally DeGarmoe and drum major Rick Rintamaa.

Band shows at football games take many hours of preparation.

After days of planning, the mid-winter concert is deemed a success.

"Remember, John, anything for the Variety Show, even an eleven o'clock rehearsal."

Homecoming Court

The bleak, dismal evening of October 20, became the outstanding highlight of the football season. After the traditional parade through town and the half-time presentation by the band, the long-awaited moment had arrived—the co-captains, Denny Johnson and Perry Ancona, crowned the football queen, Miss Carolyn Wierwille. The fighting Mustangs in a desperation drive, then scored the tying touchdown which made the score 20-20. After the anxiety and tenseness of the suspenseful game, the dance, "Stars of October," created the mood for enchantment and loveliness that made the evening perfect!!

"Stars of October . . . dreamy!!"

G. A. A. Queen

Janeth Carry

Enjoying themselves are . . . Dan Engstrom, Bob Pohowsky, Sharon Wasem, and Kathy Friedericks.

G. A. A. Formal

G.A.A.'s annual formal, "Snowflake Fantasy," was a "Cinderella's Ball." At the magic hour of twelve, the lovely court was presented and the queen, Miss Janeth Carry was crowned by Judy Tuttle, last year's queen. This climatic moment will never be forgotten by G.A.A.'s beautiful queen . . . Jan!

Cagers' Court

Basketball Homecoming

The Basketball Homecoming of 1962 couldn't have had a better settin—that, of course, winning the Eastern Hills League Championship. And, the dance was just as exciting as was the game. At 12:00, the Cager's Court was presented: Freshman, Denny Pieczonka; Sophomore, Dick Meinken; Junior, Pep Strifler; Seniors, Dick McKnight and Denny Johnson; and King Bill Heiser. This dance, marking the end of the basketball season, is fast becoming a tradition at Madeira.

"Doc," the coach of the E.H.L. Basketball Champs, crowns the king of the Cager's Court, Bill Heiser.

It's twistin' time! ! !

Everybody is a Chubby Checker at Madeira High!!

The Key Club Mixer Dance was one of the most successful dances of the year. There were dance contests, mixer dances, games, prizes, "cheap" refreshments, a good band, but most of all, FUN, FUN, FUN!!!!! It was a real "swingin' " affair.

"Who's got the lucky ticket stub?"

Barb Benhase and Dave Hayhow . . . Madeira's Queen and King of the twist!

Won't the Madeira Highers ever stop twistin'???

"Dreams of the Twenties," sponsored by the Key Club, was a lovely dress-up affair. However, the highlight of the evening was U.C. winning the N.C.A.A. This stirring incident augmented the gaiety of the evening, presenting a wonderful time for all.

Well, they did . . . it's hokey-pokey time!!!

"Keep out, you underclassmen, this is for SENIORS only!"

Variety Show

"This lady's a tramp??!!??"

"And boys laugh at girls' legs . . . Get a load of THAT cheesecake, will you!!!"

"Hmmmm, Les Girls, or should we say, Hmmmm, Le Boy!"

"Play it cool, boy—play it cool!!"

"Broadway, U.S.A.," produced and directed by Mr. Medert and Mr. Benedict, and by student director-producer, Mary Dopp, was nothing short of an actual broadway production.

After hours of preparation, the annual variety show was presented to the public on April 12, 13, and 14. After the successful show had heard its last burst of applause, the annual variety show dance was held for all the tired, but happy, performers and their schoolmates.

Once again the variety show has gone by, but, as it has in the past, it will always come again; for it is a favorite event for the whole of Madeira.

"Oh Sandy, that tickles!!"

"But Bill, Broccoli Boogey????"

The "Little Women" family . . . Bonnie Dyer, Barb Query, Janet Horton, Debbie Mulcare, Barb Britton.

Little Women

The Theater Arts Club of Madeira High, newly organized this year by Mr. Meale, presented their first play, "Little Women," before the entire student body. This universally well-known story was well portrayed by our "amateur" actors and actresses.

Laurie, Mr. Laurence, and Jo.

A touching scene . . . Beth and Jo.

"Here ye all are, Ma'm!!"

SENIORS . . . The stars of "Doctor In Spite Of Himself."

Senior Play

"The Doctor In Spite Of Himself," a three-act farce by Moliere, was presented to the public on May 18 and 19. This uproariously amusing play was performed with tremendous acting efforts by the almost semi-professional seniors. This play was thoroughly accepted and enjoyed by all.

"een . . . anh . . . ohn . . . ooo . . ."

"More nasal tones on those eens, anh, ohns, and oos," directs Mr. Carl Fischer.

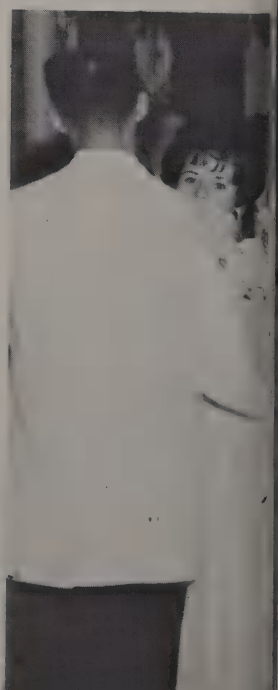

"Aw come on, Doc, that's my wife!!!"

Queen

King
Dick

Walking down the royal steps are . . . Bill Heiser, Jan Carry, Bob Hankes, Carolyn Wierwille, Ron Arrington, Sherry Wasem, King Dick McKnight, and Queen Andy Arbogast.

"The Song of the Islands," the annual prom sponsored by the Junior Class, was held at the Cincinnati Club on May 25. After entertainment by Bobby Keys and his orchestra, Jim Stagge, Sue Pawson, and Bonny Dyer, the Prom Court was presented. Jim Kruse, Master of Ceremonies, then crowned the lovely queen, Andy Arbogast, and the handsome king, Dick McKnight. A dance for the royal couple and their court followed in the same air of enchantment that was so evident throughout the entire evening.

The dance floor was always crowded when the melodious strains of Bobby Key's orchestra permeated the rooms.

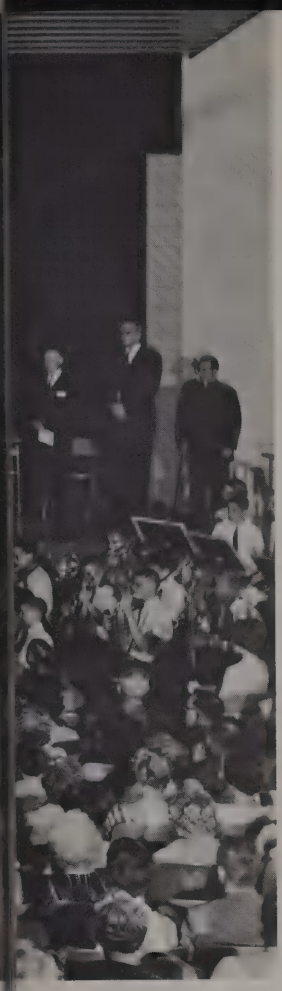

Graduation 1962

The graduating seniors listen soberly to the Commencement Address of Dr. H. I. Von Haden of Miami University.

The Senior Class of 1962 was graduated on June 7, in the auditorium of Madeira High School. This stirring event marked the end of twelve long years of school. For all it marked another beginning—jobs, military service, or higher education.

Graduation was a time for sweet remembrances of old friends and of old times . . . but also, a time for looking ahead to the future. The future leaders of our country were graduated on June 7, a little fearful, but quite hopeful.

Mr. H. L. Dericks, principal of M.H.S., announces the name of each graduate that is to receive a diploma.

Mr. James Perin, president of the Madeira Board of Education, presents diplomas to Roger Couch and Mary Kay Driscoll.

Scholarship winners: Paula Hutchinson, Bob Hankes, Kathy Dorsey, Dick McKnight, Bonny Dyer, and Jay Belniak.

Honors Night

The annual Honors Night Program was held this year on June 6, to recognize those who had excelled in scholastic endeavors. These awards and recognitions were given in the forms of scholarships, certificates, pins, money, and ratings. Madeira High School was a leader in Ohio schools in this field of scholastic recognition.

Jay Belniak was presented the Salutatorian statue by Mr. Dericks.

Mr. Dericks presented the General Scholarship Medal and the Valedictorian statue to Dick McKnight, the top senior student at M.H.S.

Your Own Princess Phone

What teenager wouldn't get excited over having her very own Princess phone. Think what a joy to use a phone that's scarcely bigger than your hand—that feels light as a feather — with a dial that glows softly, lights up brightly whenever you pick up the receiver.

You'll enjoy calls more in your own room on your own Princess phone. And, the monthly charge is so low that you may be able to pay for a Princess extension yourself. For more information, call our business office, 396-9900.
